

Create your own Fairytale

Pixie o'Harris is a children's book author and illustrator.

Pixie created paintings and stories that incorporated Australian bush scenes with fairytales and familiar children's stories.

Activity:

Create your own fairy tale scene by collaging some of Pixie's characters in to a new scene with your own characters.

What to do:

- 1. Choose a background scene from the templates provided.
- 2. Cut out some of Pixie's fairy tale characters from the templates and collage them on to the background to create your own story.
- 3. Or create your own characters and draw them into your story.
